

## **Virginia Beach Land Records**

### **NOTICE:**

**For all of our customers who use the Land Records Management System (AILIS) from remote locations, I would like to explain some changes that are about to take place. You will continue to go to our web site at: [VBLANDRECORDS.COM](http://VBLANDRECORDS.COM) or you may also access the site by going to the City's web site at: [VBGOV.COM](http://VBGOV.COM) and select our site from a link located there.**

**Before you can begin to use our Internet access to land records, and in keeping with the requirements of Virginia Code § 2.2-3808.2(D)(1), you must fill out what we are calling an "Internet Land Records Registration Form." This form can be picked up in the Clerk's Office or it will be available on the [vblandrecords.com](http://vblandrecords.com) site, as well as the [vbgov.com](http://vbgov.com) web site. This form **MUST** be executed in front of a Notary Public or a Deputy Clerk, and the original **MUST** be filed with the Clerk's Office before you will be allowed access to the images on our web site.**

**Once you enter the information for your search, a grid of information will display. To purchase the image, you must click on the image icon and it will prompt you for a user name and password. This will direct you to a payment summary, and once you accept, the image will display.**

**While using this system from a remote location, if you have questions, you may call one of the following numbers:**

- 1. For questions concerning the setting up of a credit card account or a possible failure of the system to allow access to images, call toll free 1-(866) 793-6505.**
- 2. For all other questions, call Tracey, Chief Deputy Clerk, at (757) 385-8819, or Tina Sinnen, Clerk, at (757) 385-8817.**
